HALLOWEEN CARNIVAL 2025

Here are some highlights from this year's Halloween Carnival! We extend our sincere appreciation to the Clardy's and to all of our FBC family and friends who supported and contributed to this wonderful community event. We're already looking forward to next year!

NOVEMBER MISSIONS OPPORTUNITY

The Thanksgiving and Christmas seasons often bring with them a heightened sensitivity to those among us who may be less fortunate and facing needs for food and other basic necessities. This year, with changes in some of our government programs, we are told that one in eight Americans will face some major challenges and hardships.

Our Deacon Team that works with the Missions Cluster has been planning to have a local mission emphasis during this season. When Liz Marvin brought this need to their attention and volunteered to contact AIM (one of our Missions partners which serves in this area of need), it was clear that this was the project they were looking for. Liz is running point on the project, but everyone has a role to play.

During the month of November, we will be collecting items on the list you see below. Please give generously to help lighten the load for those in our community who could use a helping hand.
